WORLD KINDNESS DAY

Integrating Moral Education

A QUEST OF GOOD DEEDS

No act of kindness,
no matter how small,
is ever wasted.

When we feel love and kindness towards others, it only makes others feel loved and care for, but it helps us also to develop inner happiness and peace.

Teaching our children kindness by:

Dear parents,

This Activity will be conducted on Wednesday,
21st November 2018.

The purpose of this special day is to urge our students to be kind to each other, especially those they don't know, without any specific reason. The philosophy behind Random Acts of Kindness Day is altruism, which is selfless concern for the welfare of others.

Our students will be making "Thank- you notes" and can also contribute in the 'KINDNESS BOX'.

1. Acknowledging our community workers who make our community a better place. Students can bring food items to thank them. The list may include policemen who keep us safe, our security guards who protect our school, and our school cleaners who keep our school clean and our school nurse who helps us stay healthy.
2. Helping the needy- Students can show kindness by donating food, their old toys, books, clothes etc. to charity which will be used by distributing them amongst the ones in need.
3. Not only people but animals need to be loved and cared for too. Kindness boxes can also be used to donate animal food that will be used to feed the animals.

cloud.”
