

2018 - 2019

SPEED MASTER CONTEST

Department of Mathematics

IT IS OUR PLEASURE TO ANNOUNCE THE SPEED MASTER CONTEST FOR OUR AMAZING GRADE TWO STUDENTS.

This contest is designed to stimulate interest and confidence in mathematics and to measure the individual's speed and accuracy.

A Little Competition can Inspire Math Students to Greater Achievement...

Guidelines

- All the students of grade 2 will be participating in the **First Round** of the contest, which will be held on **Sunday, 28th October 2018** during their Maths period.
- The winners will be notified and they will move on to the **Final Round** that will be held on **Sunday, 18th November 2018**.
- The criteria of judging is based on accuracy and speedy solving of math sums within a time limit.
- The students need to practice **Simple addition and Subtraction** skills for the contest.
