Learner's Book - Page 36

On a clear night, you can see the Midnight Sun from the end of May to the end of July. In the evening, it is difficult to fall asleep at the normal time because it is still light outside and people often have more energy. A lot of people do activities that you would normally do during the day, like hiking. On Saturday, my dad and granddad are doing a midnight hike!

- All scheduled spelling and dictation test results will be part of the continuous assessment mark for the term.
- **Under no circumstances** will spelling or dictation tests be rescheduled for any particular student.
