Humanities Worksheet-3(Answer Key)

COUNTRIES

An area of land that has its own name, its own government and its own **flag** is called a **country**. Almost all continents except

Antartica are divided into countries. Mostly each country has got their own **language** and their own **currency**. You can see some

flags here.

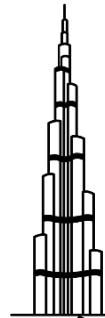

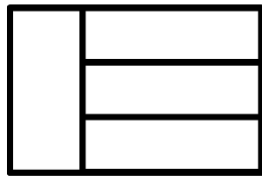

There are more than 190 countries in the world. **Russia** is the biggest country in the world and **Vatican city** is the smallest. It takes nearly a week to cross Russia by train but we can walk across Vatican city in one hour.

We live in the country of the **UAE**. The UAE stands for the United Arab Emirates. It consists of seven emirates. The official language of UAE is **Arabic**. Their currency is **Dirham**. **Abu Dhabi** is the capital of UAE. It has the world's tallest building, **Burj Khalifa**. It also has the largest shopping mall, **Dubai mall**.
