## Humanities Worksheet-6 (Answer Key)

### Island transport in Bahrain

Most of the islands are far away from the **mainland**. We can travel to an island by **boat** or **aircraft**. In Bahrain the islands are close to each other and the mainland. So it is easy to reach there by road. Such raised roads which help us to cross the water is called a **causeway**. Bahrain is linked to Saudi Arabia through a cause way. This is the **longest causeway** which is of **24 kilometers**.

### Ports

There are three big ports in Bahrain. They have container ships, cruise ships and oil tankers. **Container ships** are cargo ships that carry load. A **cruise ship** is a passenger ship used for pleasure trips. **Oil tanker** is a ship designed to transport oil. **Ferry** is also one of the means of transport.

### Air Travel

There are two airports in Bahrain. One of them is situated on the **Muharraq island** and the other one is located on the shore of the **Arabian Gulf**.
