Wonders of the world Part 1 - Answer Key

The Great Pyramid of Giza

The ancient Egyptians built pyramids as tombs for their kings and queens. The kings were buried in pyramids of different shapes and size. The three largest and best-preserved of these were built at **Giza**. It was built for the pharaoh Khufu. It is known as The **Great Pyramid of Giza**. It is the oldest of the Seven

Wonders of the Ancient World.

The Great wall of China

It is a wall built to protect China from invaders. The barricade took hundreds of years to build. It ranks as the world's longest man-made structure and it is visible from space.

Petra

Petra is one of the most famous historical place. The old city was located between the Dead Sea and the Red sea. It is in Jordan at present. It was also called 'Rose City' because of the rose-red colour of the rock. Half of the city is man-made and the remaining is carved out of the rock.
