CIRCULAR TO THE PARENTS – Diagnostic exams

Dear Parents,

We would like to inform you that the school management has planned some diagnostic exam for your child on 24/09/2017, Sunday. The exam will be a tool for defining their skills in Math. The exams will be conducted during their ordinary classes.

Please make sure that your child is present in the school on time. Your cooperation will be highly appreciated. Together we can make an effort to raise the level of our students.

Thank you for your cooperation.
